

ADMISSIONS
2026

Division of **COMMERCE** and **INTERNATIONAL TRADE**

B.Com (PA and FT)

■ Preamble

Commerce education today plays a vital role in shaping trade, industry, and the global economy. Responding to the increasing demand for industry-relevant programs, Karunya Institute of Technology and Sciences (KITS) offers the B.Com. (Professional Accounting and Financial Technology) — a dynamic undergraduate program designed to bridge the gap between traditional accounting and emerging financial technologies.

The program equips students with comprehensive knowledge in Professional Accounting and Financial Technology, enabling them to understand and analyze contemporary business realities in both Indian and global contexts. The curriculum is industry-aligned,

benchmarked with international standards, and delivered by experienced faculty. Practical exposure through internships and live projects ensures that students graduate career-ready.

■ Vision

To become an acclaimed center of excellence for Commerce education where teaching will be underpinned and brought to life by close collaboration with industry and society

■ Mission

- Raise Commerce graduates with strong aptitude, applied knowledge, and professional skills, preparing them to excel in business, trade, and financial environments.
- Deliver application-oriented education through industry-aligned practices, fostering critical thinking, ethical leadership, and experiential learning.
- Empower students with an entrepreneurial mind-set and a commitment to integrity, humility, and social accountability in addressing business and societal challenges

Programmes Offered (2026–27)

- **B.Com** (Professional Accounting & Financial Technology) – Integrated with the Association of Chartered Certified Accountants (ACCA), UK, offering dual specialization pathways in Professional Accounting and Financial Technology.
- **Ph.D.** in Commerce – Full-time and Part-time modes available.

The Program

The B.Com (PA & FT) curriculum provides a strong foundation in Accounting, Law, Management, Marketing, Economics, Finance, and Taxation, enabling students to understand business operations holistically.

The Professional Accounting Specialization: Tailored for those aspiring to become Chartered Accountants (CA), ACCA professionals, or Cost and Management Accountants (CMA).

Financial Technology Specialization: Introduces students to emerging tools and innovations such as Artificial Intelligence, Blockchain, Cloud Computing, and Data Analytics (ABCD Technologies), ensuring they are equipped for the digital finance era.

Through a blend of theory, practical training, and technology-driven learning, students gain hands-on experience in accounting software, financial analytics, and corporate compliance systems.

Key Highlights

- Exclusive in-house CA coaching for aspiring Chartered Accountants.
- Integrated ACCA coaching with 9-paper exemption, enabling a fast-track global qualification.
- Placement opportunities in leading firms such as KPMG, Deloitte, Ernst & Young, and PwC.
- Additional professional pathways: CA, CMA, CS, US-CMA, ACCA (UK).
- Training in accounting software, stock market applications, and e-filing practices.
- Industry-oriented projects, corporate internships, and FinTech exposure.

Infrastructure & Facilities

- Modern computer labs with 24x7 Wi-Fi connectivity.
- High-performance systems equipped with SPSS and Tally Prime.
- A well-stocked library with over 7,500 books and access to international e-journals (EBSCO host, ProQuest, etc.).

Major Recruiters

Our graduates are placed in reputed organizations such as:

Industry Collaborations & MoUs

- Accredited by ACCA (UK) – Students receive 9-paper exemptions in ACCA exams.
- Global FTI – Collaboration for ACCA mentorship and training.
- ICT Academy – Partnership for training in the Banking, Financial Services, and Insurance (BFSI) sector.
- WNS Cares Foundation – Collaboration for hands-on training in Finance and Accounts.
- ArivuPro Pvt. Ltd. – In-house CA coaching for professional certification.
- Technical University of Kosice, Slovakia – Research in Commerce, Business, and Management.

These collaborations ensure students are mentored by industry professionals and exposed to global best practices through on-campus sessions, workshops, internships and research.

MoUs & Strategic Alliances

The Division maintains strategic alliances with leading professional bodies and corporate partners in India and abroad. Through these partnerships, students gain direct access to professional training, global certifications, and experiential learning opportunities, reinforcing their employability and global readiness.

Think B.Com! Think Karunya!!
