

FEEDBACK FROM STAKEHOLDERS AND ACTION TAKEN

(2018-2019)

The department has formal and informal mechanisms to obtain feedback from stakeholders through various committees, associations, organization, etc.

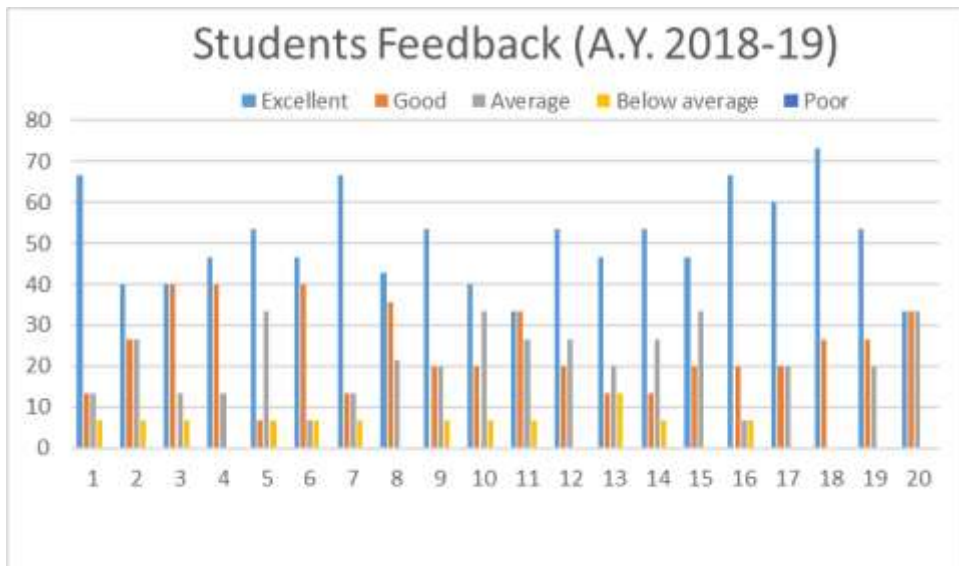

1.a. Students Feedback

- Application oriented knowledge was lacking in our subjects and we came to final year, we were lacking in basics, some revision can be given to us.
- Aptitude test should be conducted and more practical skill to be taught.
- Live projects which can give students industrial exposure
- Try to cover all the credits needed for higher studies. Inform the students to take online courses on additional credits needed

Feedback from the students is collected from students every year where the feedback about the curriculum is also collected for analysis and improvement based on the following criterions.

	Criterion used for analysis
1	How do you rate the sequence of the Courses that you have studied? Are they in sequence and cater to the pre-requisite knowledge that required during the forthcoming semesters?
2	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?
3	How do you rate the relevance of the units in Syllabus relevant to the course?
4	How do you rate the sequence of the units in the course?
5	How do you rate the allocation of the credits to the courses?
6	How do you rate the distribution of the contact hours among the course components (L-T-P)?
7	How do you rate the offering of the electives in terms of their relevance to the latest trends in Technology?
8	How do you rate the electives offered in relation to the Technological advancements?
9	How do you rate the relevance of the Text Books and reference books by their international recognition to the Courses?
10	Rate the size of syllabus in terms of the load on the student
11	Rate the courses in terms of extra learning or self-learning considering the design of the courses
12	Rate the courses in terms of sequence of offering considering whether the preceding courses have been covered
13	How do you rate the loading of the courses in a semester?
14	How do you rate the evaluation scheme designed for each of the course?
15	How do you rate the objectives stated for each of the course?
16	How do you rate competencies expected out of the course?

17	How do you rate the composition of the courses in terms of Basic science, Engineering science, Humanities, Discipline core, discipline elective, open elective, project etc.?
18	How do you rate the percentage of courses having LAB components?
19	How do you rate the domain user for designing the experiment for the LAB components?
20	How do you rate the experiments in relation to the real-life Applications?

1. Which additional topics do you suggest for inclusion in the syllabus of various courses in order for you better performance in placement interview?

Instead of more theoretical you should teach the practical knowledge in the courses

2. Which additional courses do you suggest for inclusion in the curriculum of Aerospace Engineering in order for your better performance in placement interviews?

Aptitude, Basics of Aerospace Engineering

3. Suggestions for the improvement of syllabus and curriculum for student-progression to higher studies in Aerospace Engineering.

From 3rd year they could have given us specialised streams so that we can concentrate more with interests

4. Any other suggestion(s) for curriculum revision to enable better placement/higher studies opportunities?

Application oriented knowledge was lacking in our subjects and we came to final years we were lacking in basics I think some revision can be given to us

ACTION TAKEN

Based on the feedback collected from the students through the class committee meeting, the following action has been taken.

- Organized program to improve skills in modelling and analysis software.
- Organized workshops and add-on courses on new technologies in aerospace engineering.
- Conducted technical and aptitude training.

Karunya INSTITUTE OF TECHNOLOGY AND SCIENCES

(Declared as Deemed to be University under Sec.3 of the UGC Act, 1956)

A CHRISTIAN MINORITY RESIDENTIAL INSTITUTION

AICTE Approved & NAAC Accredited

DEPARTMENT OF AEROSPACE ENGINEERING

Weekly Seminar – VII

(Odd Semester 2018-19)

**“CFD Modelling using ICEM CFD &
Ansys Fluent”**

By

Mr. M. Krishna Kumar

**Assistant Professor
Jansons Institute of Technology,
Coimbatore**

14 September, 2018 (Friday)

3.30 PM to 4.30 PM

Venue: AELH 201

- All the **IV B.Tech** Aerospace Engineering students should attend.
- Attendance will be marked by the seminar coordinator (Mr. Gopalsamy)

Seminar Coordinator

HoD – Aerospace Engg.

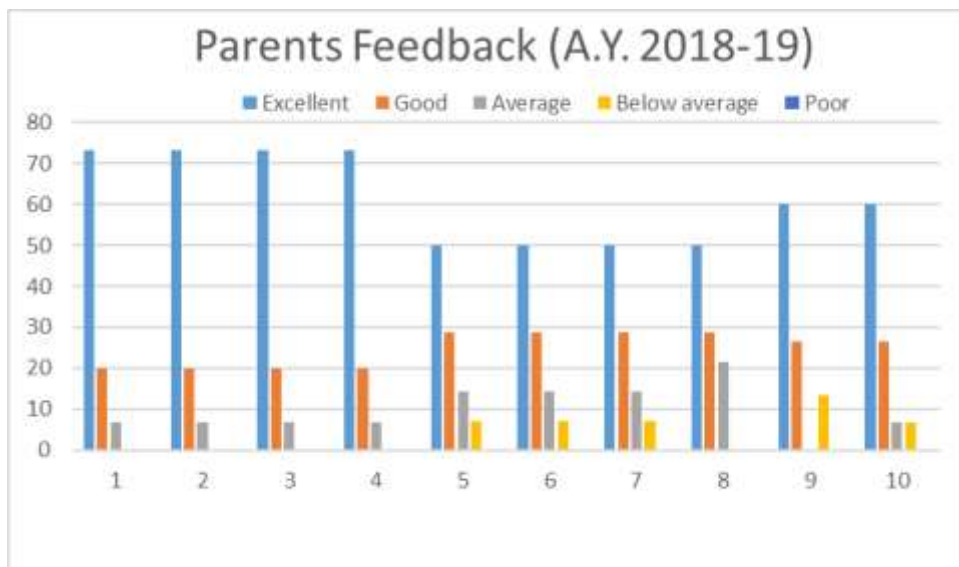

IVth A & B - Sec - signed.

1.b. Parents Feedback:

- Placements for core companies need to be more focused.
- Please help the students with placement or to provide higher studies for the students.

Feedback from the parents is collected during the parent teachers meet every year and analyzed for the improvement of the curriculum based on the following criterions.

	Criterion used for analysis
1	Role of curriculum in raising the standard of students
2	Competency of the Teachers in imparting the Course content and Skills effectively
3	Importance to practical aspects in curriculum
4	Relevance of the curriculum to societal needs
5	Relevance of the curriculum to Industry needs
6	Education provided creates confidence to face competitive exams and interviews
7	Courses in the curriculum are suitable for Employability / Entrepreneurship
8	The interaction between staff and students inside and outside the classrooms
9	Usage of Technologies by faculty relevant to the course
10	Evaluation system in exams followed in the Institution

1.c. Alumni Feedback:

- Encouragement is required towards career enhancement and higher studies
- Students need to be motivated to serve the society.

Feedback from the alumni is collected during the alumni meeting held every year where the feedback about the curriculum is also collected for analysis and improvement based on the following criterions.

	Criterion used for analysis
1	Academic support extended by the faculty
2	Mentoring received from the faculty
3	Opportunity for participation in co-curricular and extra-curricular activities
4	Opportunity for interaction with the industry (Industry Visit, Internship, Project etc)
5	Encouragement received towards career enhancement and higher studies
6	Opportunity provided for improving communication skills
7	Guidance on personality development and character building
8	Input towards attitudinal improvement (such as self-motivation, level of confidence)
9	Teaching on ethical and social responsibilities
10	Motivation towards serving society

Date: 16/4/2018

AEROSPACE ENGINEERING DEPARTMENT ALUMNI FEEDBACK FORM

Dear Alumnus,
 We shall very much appreciate if you can spare some of your valuable time to fill up this feedback form. It would help us in our efforts to contribute the best talent to the society in terms of qualified and morally upright Engineers.

Sub: Permission to pursue External Full Semester Project – Reg.

Ref: Offer letter dated 08.12.2020 & request letter submitted on 23.11.2020

The request submitted by **Ms. Febin.P.Varghese (URK17AE002), IV B.Tech Aerospace Engineering** Karunya Institute of Technology and Sciences, Coimbatore, Tamilnadu to do External Full Semester Project during Even Semester 2020-21 is **approved**. She is permitted to pursue the project **from 11th January 2021 to 30th April 2021 at Team Indus - Axiom Research Labs, Bengaluru, Karnataka - 560092**. However, the period between 17th Dec 2020 to 10th January 2021 can be used to do preliminary work related to the project in consultation with the external guide.

General instructions:

1. To submit the joining report to the Head of the Department through the Internal Project Guide within 3 days of joining the project
2. To keep in constant touch with the Internal Project Guide and update the progress
3. To attend all the reviews scheduled by the department during this period.
4. To be available to attend campus interviews scheduled by KITS.
5. To submit Project completion letter issued by the company clearly stating the period of the project along with the project report.
6. To abide by the rules and regulations of both the Organizations.
7. To adhere to the standards and recommendations of the Government to prevent COVID infection.

CERTIFICATE

This is to certify that Ms. JOFEENA J, (REG No. URK17AE022) bonafide Student of **KARUNYA INSTITUTE OF TECHNOLOGY AND SCIENCES**, Coimbatore pursuing B.Tech in **Aerospace Engineering** had undergone internship training in our organization from **03-06-2019** to **03-07-2019**. During this period the student had undergone training in the following topics

1. Aerodrome
2. ATC
3. Communication and Navigation
4. Aircraft Maintenance
5. Heat Treatment
6. Sheet Metal
7. CNC & Machining
8. Surface Treatment
9. Assembly
10. Composites

During this period her conduct was found good. We wish all success in her future endeavours.

1.d. Employers Feedback:

- Professional supports by staff/ team encourage the students to take-up interview calls and offers without missing.
- Expected additional industry oriented exposure from the students.
- Students to be trained in latest or new technology which will help them to be better equipped.
- Satisfied with the technical and communication skills of the students.

Feedback from the recruiters is collected during the placement interviews based on the criteria including general aptitude, technical aptitude, application-oriented skills, basic technical knowledge, soft skills. Following criteria are considered for employer feedback.

	Criterion used for analysis
1	General Aptitude
2	Technical Aptitude
3	Application Oriented Skills
4	Basic Technical Knowledge
5	Leadership Qualities
6	Professional Knowledge
7	Result Orientation
8	Creativity
9	Attitude
10	Communication Skills
11	Interpersonal Relationship
12	Team Building
13	Self-Development

To

The Director,
Satish Dhawan Space Centre (SDSC),
SHAR, Sriharikota Range PO – 524 124,
Nellore District, Andhra Pradesh.

Dear Sir,

Sub: Request to permit students of Final Year B. Tech Aerospace Engineering Students for One Day Visit – reg.

Greetings and wishes from Karunya Institute of Technology and Sciences, Coimbatore. The Final Year students of B. Tech Aerospace Engineering (**57 students**) accompanied by **3 faculty** members of the department of Aerospace Engineering would to visit the state-of-the-art facilities at Satish Dhawan Space Centre (SDSC) SHAR like the Launch Pad and Launch Complex as part of their Technical exposure visit on **31st August, 2018 (Friday)**.

The primary aim of the visit is to get to know the real-world developments in the field of Aerospace Engineering that will enable the students to hone their technical skills and contribute to research and development of our nation.

We are happy to mention that **Dr. Jeyajothiraj**, Former Scientist 'G', Head - Aerodynamic Data Synthesis and Design Division, VSSC – ISRO has joined us as "Professor" in our institution and has been instrumental in bringing this visit possible.

I request you to kindly consider our request favorably.

With Warm Regards,

Dr. G. Jims John Wessely
(HoD – Aerospace Engineering)
