

Dr. C. BEULAH CHRISTALIN LATHA

Associate Professor,
Department of Digital Sciences,
Karunya Institute of Technology and Sciences,
Karunyanagar,
Coimbatore - 641 114
E-mail: beulahchristudas@karunya.edu

PROFESSIONAL SUMMARY

- Working as Associate Professor in Digital Sciences, teaching Computer Science Subjects and guiding projects.
- Area of Specialization: Artificial Intelligence, Deep learning, Blockchain.
- Completed Ph.D. in the field of E-learning, machine learning, and soft computing.
- Having 24+ years of experience in teaching, developing projects, and research.

FIELDS OF RESEARCH INTEREST

- Machine learning, Deep Learning, Artificial Intelligence, Internet of Things, Soft Computing, Natural Language Processing.

Professional Accomplishments

- Completed Ph.D. in the area of machine learning, E-learning and Soft Computing and guiding Ph.D. scholars in the areas of natural language processing and artificial intelligence.
- 22+ years of experience in teaching and research.
- Published 15 papers in International journals.
- Presented 7 papers in National and International conferences.
- Published 3 books and several book chapters.
- Worked as co-investigator in a project applied for UGC titled "*Stylistic and Computational Linguistic Study of Selected Indian Literary Works in English for Indianization of English*". I was involved in developing a software module for the project.
- Currently working in the field of Deep Learning, Artificial Intelligence, and Natural Language Processing.
- Produced 1 Ph.D. in Computer Applications. Guiding 5 Ph.D. Scholars.
- Completed online courses on Computer Vision, Blockchain Basics, Fundamentals of Deep Learning, Introduction to Data Studio, and Python for Data Science.
