Ethical Compliance Officer

Karunya Institute of Technology and Sciences (KITS) has established a dedicated office for ethical compliance to ensure that all institutional practices align with high ethical standards. This office is overseen by a designated official who holds comprehensive responsibility for ethical matters across the university. The presence of this office reflects the institution's commitment to integrity, transparency, and accountability in academic, research, and administrative activities. It serves as a central body for guiding ethical conduct, reviewing policies, addressing concerns, and promoting a culture of ethical awareness among students, faculty, and staff.
