## Institutional Ethics Manual

### Academic, Research & Administrative Ethics Policy Compendium

#### 1. PREAMBLE

Karunya Institute of Technology and Sciences (KITS) is committed to nurturing an academic ecosystem grounded in the principles of the Constitution of India, including equality, justice, liberty, dignity and fraternity. The institution strives to create an environment that reflects the highest ethical and professional standards mandated by the Government of India, statutory bodies, and national regulatory frameworks. The institution's ethical foundation rests upon the Constitution of India, particularly the principles of equality, justice, dignity, non-discrimination, and safety for all.

To realize excellence in teaching, learning, and research, the institution fosters a culture of:

- Mutual trust and accountability
- Respect for fundamental rights
- Compliance with national laws, educational regulations, and institutional governance policies
- Zero tolerance for discrimination, harassment, exploitation, or any unethical practices

The institutional ethics framework ensures that every member: students, faculty, staff and administrators acts responsibly and ethically, thereby contributing to a safe, inclusive, and law-abiding campus environment.

#### 1A. ETHICAL BEHAVIOUR & VALUE FRAMEWORK

KITS follows an ethics model built upon:

1. Integrity: Honesty in Academics, Research, Administration

## **8A. REFERRAL TO OTHER STATUTORY COMMITTEES**

Karunya Institute of Technology and Sciences (KITS) functions in compliance with all mandatory regulatory bodies and statutory committees prescribed by the Government of India, UGC, and AICTE.

If any complaint received by the Institutional Ethics Committee (IEC) falls under the jurisdiction of a specific statutory committee, the case shall be immediately redirected to the concerned body for appropriate action.

The following committees operate independently and carry statutory authority:

### ***1. Internal Complaints Committee (ICC) – POSH Act***

Handles:

- Sexual harassment complaints
- Gender-based misconduct
- Workplace-related harassment

IEC will forward such complaints to ICC within 24 hours, as mandated by the POSH Act.

### ***2. Anti-Ragging Committee (ARC) – UGC Regulations***

Handles:

- Ragging (physical, verbal, psychological, cyber)
- Bullying or intimidation connected to student life

IEC will transfer these cases immediately to ARC for inquiry and action.

### ***3. Equal Opportunity Cell (EOC) – UGC Regulations***

Handles:

- Discrimination based on caste, gender, disability, language, religion, economic status
- Reasonable accommodation for persons with disabilities
- Inclusion and accessibility issues

IEC will refer such cases to EOC for redressal and compliance.

### ***4. Grievance Redressal Committee (GRC)***

Handles:

- General student grievances
- Administrative difficulties
- Service delays
- Staff behaviour issues not amounting to ethical misconduct

IEC will send appropriate grievances to GRC when they do not involve an ethics violation.

## **8B. COORDINATION BETWEEN COMMITTEES**

To avoid duplication and ensure fairness:

- IEC shall conduct initial screening to determine the correct committee.
- Cases redirected will be formally recorded in the IEC Register.
- IEC will not interfere with the proceedings of statutory committees.
- The final decision will rest with the committee having legal/statutory jurisdiction.
- IEC may offer supportive recommendations if requested.

## **8C. CASES UNDER MULTIPLE DOMAINS**

If a case involves more than one domain, e.g.,

- Harassment with academic bias
- Discrimination with exam grievance
- Misconduct involving research and classroom behaviour

Then:

- Primary jurisdiction = statutory committee
- Secondary evaluation (professional behaviour, ethics) = IEC

Both committees may act simultaneously but with clear separation of duties.

## **8D. REFERRAL TO DOMAIN-SPECIFIC COMMITTEES**

Some ethical issues fall under specialised committees already functioning at KITS. In such cases, the IEC shall transfer the matter to the appropriate committee for domain-specific handling.

### ***1. Examination Malpractice Committee (EMC)***

Jurisdiction:

- Use of unfair means
- Paper leakage
- Impersonation
- Invigilation lapses
- Tampering of marks or answer scripts

IEC Action:

- IEC will forward all exam malpractice cases to the Examination Malpractice Committee constituted by the Controller of Examinations.
- The EMC will conduct inquiry as per Examination Ordinances.
- IEC may review behavioural aspects (if any), but penalties will follow COE norms.

## **2. Institutional Research Ethics Committee (IREC / IRB)**

Jurisdiction:

- Human participant research ethics
- Animal research
- Biosafety, consent, data handling
- Ethical approval for research projects
- Research involving vulnerable populations

IEC Action:

- IEC does not process research proposals requiring ethical clearance.
- IEC handles only misconduct (plagiarism, unethical behaviour).
- All ethics-approval-related matters are redirected to the IREC/IRB.
- Research misconduct affecting ethics (plagiarism, authorship dispute) → handled jointly by IEC + IREC when required.

## **9. MICRO-SOPs (Domain-Wise)**

### **9.1 MICRO-SOP: ACADEMIC ETHICS**

Covers unfair grading, bias, attendance issues and syllabus deviation.
