# Feedback from Parents - Analysis

Academic Year: 2015- 2016

## Feedback analysis from students:

Feedback from the students was collected at the end of every semester to enrich the curriculum according to the industry standards and update it with latest technologies using the following criterion.

- Ability to motivate you to study the subject further
- The Course content Communicates knowledge effectively
- Depth of knowledge of the teacher in the subject
- Teacher explains basic concepts in a way you can understand
- Explains relevance of subject and interaction with other subjects
- Preparation for lectures and use of worked out examples in class
- Punctuality in class and regularity of conducting classes
- Quality of test / quiz papers and fairness in evaluation
- Sincerity and commitment of the teacher
- Willingness to clarify doubts and accessibility outside class
