

TESTIMONY

URK18CS273 Ms. Varsha Seetharaman BTech CSE (2018 to 2022)

I express my sincere gratitude to CSE-KARUNYA for the extra care and support provided by all the faculty members and mentors during physical classes and even during the pandemic times in each and every step of my professional career. I am placed in ZINIER Technologies Pvt. Ltd., Bangalore. This was possible by the team of expert faculty members that made me industry ready, while the placement training helped me to enhance my skills. I am fortunate to be a part of this great Temple of learning.

URK18CS174 Ms. Aishwarya Murugappan BTech CSE (2018 to 2022)

I had come to CSE-KARUNYA with mixed emotions, but after having completed four years at Karunya, the beautiful campus, the morning worship and the amazing faculty members made a long-lasting impact on my life. Karunya encouraged me and my friends to discover our technical and programming skills through hackathons, workshops, conferences, seminars and boot camps. Because of the guidance of my faculty and the immense support of my university I secured placements in Accenture and Cognizant Technology Solutions.

URK18CS256 Ms SHIJEENA S MATHEW BTech CSE (2018-2022)

I still remember my first day at KITS. I was extremely impressed with the campus infrastructure and overall ambience. There was a sudden sense of positivity and that's when I knew that I had come to the right place. CSE-KARUNYA provided me with internship opportunities in the best industries including Cisco Systems, and without a doubt, these experiences helped me develop my skills, amp up my resume, and boost my confidence. Here I am today, blissfully completing my final semester with placement in the three multinational companies namely Accenture, Wipro, and Cognizant Technology Solutions.

URK18CS249 Isha Gupta BTech CSE (2018-2022)

I belong to Agra, Uttar Pradesh. Joining Karunya was always the dream for me, especially when it comes to the south. Karunya is a place where one finds people representing every state of India. I am thankful to the NCC 5TN Girls Battalion for providing me the opportunity to become a cadet and come out as a smart and disciplined student. Though I was very scared and doubtful whether I would secure a placement due to COVID19 pandemic situation, the continuous guidance and motivation of my faculty through online mode enabled me to get triple placements in Accenture, Wipro and Cognizant Technology Solutions

URK18CS079 Mr Benson Samuel Jose BTech CSE (2018-2022)

By the grace of God, I got an opportunity to study in this prestigious Institution and it has been a blessing. Karunya gave me many opportunities to grow spiritually and academically. During my 7th semester, I got placed at Cognizant Technology Solutions with a good package. Things got even better when I acquired a prodigious SGPA of 9.86 during my final year. I am indebted to my mentor, faculty and all staff members of CSE-KITS for their never-ending support and encouragement.

URK18CS068 Mr S Brighton BTech CSE (2018-2022)

It is a privilege to study at KARUNYA and especially in the Department of Computer Science and Engineering. The able guidance and technical support of my faculty members groomed me as Android, MERN stack and AI developer. I could exhibit my coding skills developed at KARUNYA by carrying out worklets with Samsung PRISM. The internship I underwent at Conevo Technologies arranged by my department honed my technical abilities in the web technology arena. I got placed and am currently working as a python developer in Cognizant Technology
