

Faculty Profile

Denisha .M

Assistant Professor
Department of Computer Science and Engineering
denisha@karunya.edu

Academic Background

Course	Board/University	Institution	Year
M.E.	Anna University	National college of Engineering, Maruthakulam.	May 2015
B.Tech.	Anna University	National college of Engineering, Maruthakulam.	April 2013

Papers Presented

- 1) Have presented a paper on **“Effective and efficient kernel metric for image segmentation”** in *National Conference on Innovative Technologies in Engineering* held at Dr. G.U. Pope College of Engineering on 27th February 2015.
- 2) Have presented a paper on **“Effective and efficient kernel metric for image segmentation”** in *International conference on Trends in Engineering & Technology, Science & Humanities and Management* held at Tamizhan College of Engineering and Technology on 20th February 2015.

Research Interest

- 1) Image Processing.
- 2) Machine Learnings
- 3) Medical Image Analysis

Membership in Professional

1. IAENG – International Association of Engineers
