

## Faculty Profile

### Snowlin Preethi Janani

Assistant Professor,  
Department of Computer Science and Engineering  
email id: snowlin@karunya.edu

### Academic Background

---

Degree	University	Year
Ph.D	Karunya University	Pursuing
M.E	Anna university	2020
B.E	Mumbai University	2011

### Courses Taught

---

- Computer Networks
- Operating System
- Program for Problem Solving

### Research Interests

---

- MQTT Protocol

### Most recent Publications

---

Janani SP, Jebadurai IJ, Paulraj GJL, Jebadurai J, Durga S. Preparedness for managing pandemic using distributed mobile brokers - Using COVID 19 use case. Mater Today Proc. 2022;51:2384-2388. doi: 10.1016/j.matpr.2021.11.586. Epub 2021 Dec 7. PMID: 34900607; PMCID: PMC8648582.

S. P. Janani, I. J. Jebadurai, G. J. Leelipushpam Paulraj and J. Jebadurai, "Distributed Brokers in Message Queuing Telemetry Transport: A Comprehensive Review," 2022 International Conference on Computer Communication and Informatics (ICCCI), 2022, pp. 1-5, doi: 10.1109/ICCCI54379.2022.9740815.

### Significant achievements:

---

Successfully completed NPTEL exam in Computer Network and Application Protocol
