### ► Testimonials

I am immensely grateful to Karunya Institute of Technology and Sciences for providing me with the invaluable opportunity to pursue my MBA in Supply Chain and Logistics. The comprehensive curriculum and expert faculty equipped me with the knowledge and skills necessary to excel in my chosen field.

The faculties have a holistic approach to education, blending academics with practical insights and that has been a differentiating factor at Karunya.

Through dedicated efforts and campus placement support, I am thrilled to have secured a position at PwC, one of the prestigious Big Four professional services network in the world, marking a significant milestone in my career. Beyond academics, the residential life at Karunya has been an enriching experience. The hostel facilities are not just a place to stay but a home away from home with dedicated mentors guiding us through challenges and milestones. The camaraderie among fellow students, the sense of community, and the vibrant atmosphere at Karunya have contributed significantly to my personal growth. Thank you, Karunya, for not only influencing my professional journey but also for enriching my personal life and unveiling doors to extraordinary opportunities.

I, **Naveen Kumar**, a grateful beneficiary of Karunya School of Management, embarked on my journey in 2022 with ambitious aspirations. Today, by the grace of God and the nurturing environment at KU, I stand fulfilled with a lucrative placement at Asian Paints and a coveted internship in Switzerland facilitated by IAESTE. The university's commitment to excellence in education, research and spiritual growth has played a pivotal role in shaping my career and personal development. This achievement is not solely mine; it's a testament to the unwavering support and guidance from my faculties at KU, the unending love and encouragement from my parents and above all, the countless blessings from God.
