Description:

The following cultural programs and events were organized for our students in the academic year 2024-2025, by our Institutions.

Induction Fest – Eco craft Revolution (Sustainable Fashion Show)

During our Cultural Fest for First Year students, held as a part of the induction program, we organized a Suitable Fashion Show featuring outfits made from biodegradable newspaper. This event aimed to promote environmental awareness and showcase the creativity by demonstrating how sustainable materials can be transformed into unique fashion pieces.

Karunya Arts and Literacy Association Day – Logo Competition

Karunya Arts and Literary Association Day featured an inspiring **Logo Competition**, providing students a platform to showcase their creative identity and design thinking. Participants crafted meaningful visual marks that reflected culture, intellect, and innovation. The event celebrated imagination, symbolism, and the power of visual storytelling.

Creative Theme Fest

From bold designs to artistic displays, students showcased their talent with enthusiasm and flair. A vibrant festival where imagination spoke louder than words!

Doodle Day – Doodling Art'24 and Thread Art'24

Students explored patterns, lines, and threads to create stunning artworks, celebrating creativity in its purest form. A day where simple strokes and delicate strings came alive with storytelling and innovation.

No Fire Cooking Fest'24

Fire Cooking Fest '24 sparked creativity without a single flame! Students whipped up delicious, healthy, and innovative dishes using only fresh ingredients and imagination. A flavorful celebration of teamwork, taste, and talent!

Painting Activity during Non-Academic Working Day

Students added a burst of color to the Non-Academic Working Day through a joyful painting activity. With brushes in hand and imagination flowing, participants transformed ideas into art, creating vibrant expressions of creativity. The session was a refreshing break that celebrated artistry, mindfulness, and community spirit on campus.

Mega Play 2024 – Far is not Too Far

MegaPlay is Karunya University's annual Christmas celebration, a major student event featuring theatrical productions, music, and a festive atmosphere. The 2024 event was titled "FAR" and was described as a spectacular production with student creativity and professional-level execution.

Creativity Fest'24

Creativity Fest '24 brought campus energy to life as students showcased their artistic talents and innovative ideas. From stunning art displays to dynamic performances and design showcases, the event was a celebration of imagination. With enthusiastic participation across departments, the fest became a vibrant platform for creativity, collaboration, and inspiration.

Independence Day

Karunya Institute of Technology and Sciences celebrated India's 78th Independence Day with great pride and enthusiasm. The event featured spirited parades, motivating speeches, and mesmerizing dance performances, creating an atmosphere of patriotism, unity, and joy as everyone joined in honoring our nation.

Republic Day

Karunya Institute of Technology and Sciences proudly celebrated Republic Day with great enthusiasm and patriotism. The campus came alive with vibrant performances, including inspiring skits, energetic dance shows, and various cultural displays that added grandeur to the celebration.
