[3] Waste (WS)

[3.15] Total volume toxic waste treated this year

Karunya Institute of Technology and Sciences places high importance on environmental protection and safe waste management practices. This document presents the total volume of toxic waste treated reflecting the university's commitment to minimizing environmental hazards and ensuring regulatory compliance. Through the proper treatment and disposal of hazardous materials, Karunya strives to safeguard human health, protect natural resources, and uphold its vision of a sustainable and pollution-free campus.

Type of waste	Amount (ton)					
	Produced		Reduced	Treated		
	Last year	This Year		Reused	down-cycled	up-cycled
E-Waste	3	1.96	1.04	1.96		
Biomedical waste	0.3	5.60	0	5.60		
Total volume toxic waste	3.30	7.56	0	7.56
